COMPANY PROFILE

PT Varia Dimensi was founded on October 7th 1989. since the beginning, we are specialized in office furniture, most of our furnitures are manufactured in Jakarta, Indonesia. However, some of our products are also imported from other countries e.g. China, Malaysia, Spain and Italy. PT Varia Dimensi always keeps its quality standard and focuses more on developing new design for complete range of office furnitures.

OUR VISION

our vision is to produce the highest quality of office furnitures, which provides comfort and satisfaction to the users of our product.

OUR MISSION

Our mission is to support our business idea by offering qualified products at a very competitive price, achieving maximum profit, and also giving the best result to both stockholders and employees.
